- **MULTIFUEL GENERATORS** are operated with Straight Vegetable Oil (SVO, e.g. canola oil, rape seed oil, soy bean oil, sunflower oil, palm oil, jatropha oil, coconut oil, copra oil, ...), clean Waste Vegetable Oil (WVO) heating oil or common diesel fuel.
- The soundproof generators are ideal qualified for off-grid power generation or emergency power supply for home and commercial applications.
- Other power classes and features (on-grid/net parallel, frequency, voltage, ...) on request.
