Multifuel – Vegetable Oil – Generatoren – Price List 07/2013

Independent Power Supply with Vegetable Oil (SVO/WVO) – Heating Oil – Diesel

Model	Description	Price
ATG015SP	Multifuel Generator 14.5 kVA, 230/400 V, 50 Hz, soundproof, Perkins	14.200,00 €
ATG022SP	Multifuel Generator 22.0 kVA, 230/400 V, 50 Hz, soundproof, Perkins	16.650,00 €
ATG033SP	Multifuel Generator 33.0 kVA, 230/400 V, 50 Hz, soundproof, Perkins	19.200,00 €
ATG066SP	Multifuel Generator 66.0 kVA, 230/400 V, 50 Hz, soundproof, Perkins	22.580,00 €
ATG110SP	Multifuel Generator 110.0 kVA, 230/400 V, 50 Hz, soundproof, Perkins	27.200,00 €
ATG165SP	Multifuel Generator 165.0 kVA, 230/400 V, 50 Hz, soundproof, Perkins	36.850,00 €
ATG220SP	Multifuel Generator 220.0 kVA, 230/400 V, 50 Hz, soundproof, Perkins	53.560,00 €
ATG385SP	Multifuel Generator 385.0 kVA, 230/400 V, 50 Hz, soundproof, Perkins	74.270,00 €
ATG495SP	Multifuel Generator 494.0 kVA, 230/400 V, 50 Hz, soundproof, Perkins	82.950,00 €
ATG112SD	Multifuel Generator 112.0 kVA, 230/400 V, 50 Hz, soundproof, Deutz	29.450,00 €
ATG165SD	Multifuel Generator 165.0 kVA, 230/400 V, 50 Hz, soundproof, Deutz	37.900,00 €
ATG220SD	Multifuel Generator 220.0 kVA, 230/400 V, 50 Hz, soundproof, Deutz	45.280,00 €
ATG385SD	Multifuel Generator 330.0 kVA, 230/400 V, 50 Hz, soundproof, Deutz	72.510,00 €
ATG480SD	Multifuel Generator 480.0 kVA, 230/400 V, 50 Hz, soundproof, Deutz	84.130,00 €

All prices without tax in EURO, ex-works Germany

- Multifuel Generators are operated with Straight Vegetable Oil (SVO, e.g. canola oil, colza oil, soya oil, sun flower oil, palm oil, jatropha oil, ...), Waste Vegetable Oil (WVO) or common Diesel fuel.
- Easy to use by means of fully automatic control, supports local or remote operation.
- From 14.5 kVA Engines are original Perkins and Deutz from European production
- From 220 kVA incl. partial-flow filter for engine oil

Other power classes and features (on-grid/grid-tied, frequency, voltage, ...) on request.
